

## **Hunt South Africa**

[www.zungah.co.za](http://www.zungah.co.za)

If you ever wanted to hunt South Africa, why don't you think about hunting the East Cape of South Africa? The East Cape is free of all tropical diseases and political unrest. There are a lot of different species to hunt.

### **Trophy Hunting:**

Clients get to hunt over 20 different species from the comfort of our lodge. There is no traveling from concession to concession. Just excellent trophies to hunt.

### **Bow Hunting:**

We offer a "spot and stalk" hunt. If you are willing to work, we will give you the opportunity for some top quality trophies. This is a true bowhunting adventure.

### **American Bowmen Trip**

This is a trip for bowhunters. The trip consists of 8 full days of hunting, entire ranch reserved for us, trackers, skinners, guides, meals, lodging, transportation to and from the airport, game preparation. There is room for 5 hunters. The rate is \$200/day plus trophy fees for the animals you take. Look at the website for trophy fees and pictures of the ranch. I have reserved the end of May thru Mid June 2006. Let me know if you have any questions or want to sign up.
