

# American Bowmen Club Membership Rules

**Failure to follow rules can result in membership review up to and including loss of membership.**

1. **Have Fun!**
2. The American Bowmen Club seeks people that want to be members of the American Bowmen Club, not just a member to utilize the range. It takes a considerable amount of time, money, effort, and work to maintain an archery range to ABC standards.
3. Members will always act in the best interest of the American Bowmen Club in all instances including: on the range, at club functions, online, and when representing ABC.
4. Members will not spread false rumor, cause problems of any kind within the club, do or ask another member to do something in violation of any County or State condition or lease agreement.
5. ABC requests members to participate in any number of the following: work parties, club functions, activities, leadership, special assignments, etc. to maintain a good club standing.
6. Members will abide by all club and range rules
7. The membership and range rules may be amended at any time. The revised versions will be communicated to active members.
8. All members must attend an orientation.
